

Searching Tomokanga | Gateway Features & Functionality At-A-Glance

1 - Current Search Criteria

Quickly view your current search selections and update your search results by removing selected items

2 - Limiters

Refine a search without navigating away from the results page

3 - Filters

Filter search results by resource type, subject, publication, publisher, language, geography and more.

4 - Search History

View and combine past search terms and set up alerts to be notified of new articles.

5 - Research Starters

Provides links to citable, authoritative summary articles for thousands of popular topics. Designed to assist users with their research, this feature was developed based on extensive studies with researchers.

6 - Sort Results

Sort results by relevance or date

7 - Create a My EBSCOhost Account

Create a personal account to store your favorite articles to a personal folder and set your user preferences.

8 - Share

View alerting, linking and bookmarking options from this menu.

9 - NEW FEATURES UNDER DEVELOPMENT

Currently you can take your search out into Google Scholar only.

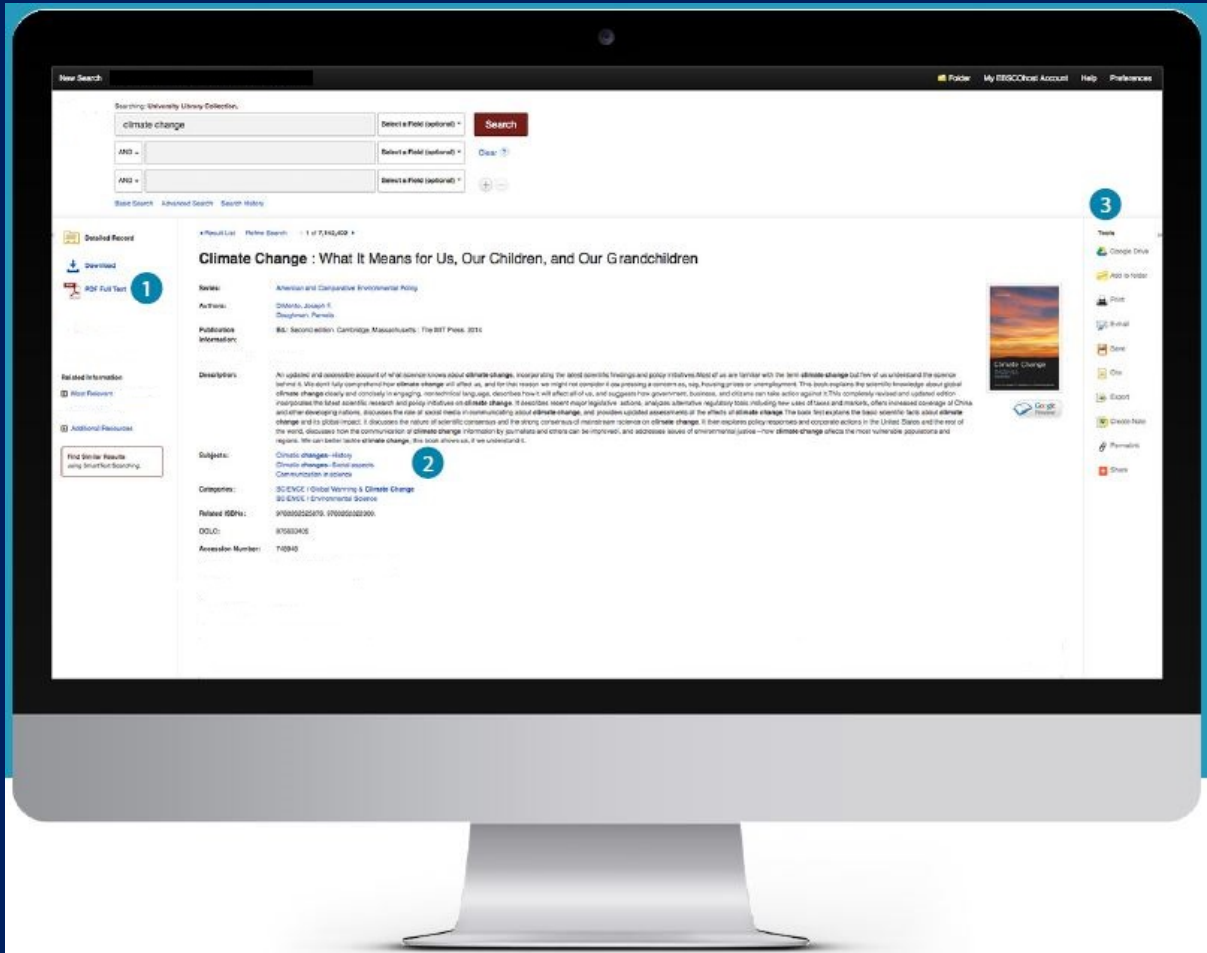

10 - Preview and Add to Folder

Click on icons to preview or add a record to your folder without leaving the results page.

11 - Live Library Catalog Information

The physical collection is available in your Tomokanga search results, includes item location and its current status.

Viewing the detailed record Tomokanga | Gateway

1 - Full Text Links

The complete article is available in HTML, PDF or via an external site. When full text is not available an option to request if via inter-library's collection may appear.

2 - Subject Terms

Click a subject term for a new list of results.

3 - Tools Menu

Allows users to share, print, email, save, cite or collaborate in Google applications.
